“KEEP MOVING FORWARD”

VOLUME 1

NEWSLETTER

JANUARY 2010

FROM THE PRESIDENT.....

Happy 2010! This year is definitely going to be an exciting one. With a fresh young board full of great ideas we are going to shake this community up and try lots of new things. Some things might fail and some will succeed. But the important thing to remember is, if we take the journey together as a team, then we learn and keep moving forward.

Being the President of the Jaycees will offer many opportunities for me and the community. It's time to activate this community and get them excited about getting involved. We have a community that is continuing to grow by leaps and bounds and we need to inform them that we are here and we are on a mission. That mission is to reach out to our community, excite them enough to get involved, get our youth activated in competitions and become the respectable organization I know we can be. We are going to accomplish this mission with fabulous ideas, wonderful work ethics, cheerful smiles, warm hearts, happy voices and extremely good communication.

Good communication starts with me and travels through the board and finally into the community. I am thrilled to have members who will help with newsletters and other media available such as Facebook and updating our Website. Our community has good communication outlets as well – starting with The Waverly News. I strongly believe that getting in the paper will be a good way to reach the community and I'd definitely like to see lots of Jaycee stuff in type this year. The more they know, the more they can do. I am also open to your ideas and thoughts and I know there is usually more than one way to accomplish most goals. Community and Communication both begin with Commune and to commune means to gather together. So let's gather together to get this organization to KEEP MOVING FORWARD in order to reach its full potential. I am very excited to get this year started, recruit lots of new members, activate current members and mostly develop an organization the community will be proud to be a part of.

Your 2010 President,

Michelle Werth
