HEALTH AWARENESS FESTIVAL

Special notes from State ID VP, Chad Sherrets regarding our recent ID Seminar:

I'd like to thank you for setting this up – I think EVERYONE got something out of it, and it was all good.

I certainly learned something new (which is what ID is all about). The things I learned at the ID college are things that will benefit me from now on. And I know this is true of the other attendees that night. That's a GREAT example of how a Jaycee event can make an impact.

And it benefited your community, by giving business and exposure to local businesses as well as inviting members of the community to participate and learn.

ID Colleges (Seminars) are *big* projects, and they have the potential to really make a big impact. I am glad that the Waverly Jaycees took on this challenge and put this together (and hopefully you'll do this again).

Congratulations on holding the first ID College for the Nebraska Jaycees in 2010!

Chad Sherrets

Nebraska Junior Chamber State ID Vice President
