NEWSLETTER

June 2010

July Articles are Due to Editor Lea Alderman at hm.alderman@hotmail.com on July 21st.

FROM THE PRESIDENT.....

Being the President for this chapter is just an honor and I'm really enjoying myself. But, where is the time going? Why didn't I do this a long time ago? These are things I keep asking and have decided that is just the way it was meant to be. We can look back and think things should have, could have or would have been different *if* – but we don't get to re-do any of those things so just *quit* doing it. The only thing we *can* do is what's right in front of us – the here and now! We can decide how that's going to be – fair, good or great. I choose great! My goal for the Waverly Jaycees is to establish a great membership base of young, energetic, hard working individuals who will see what is possible for them in this great organization so they can keep it going and continuing the traditions after my time is done. So I'm going to **Keep** working on my goal for the year and **Moving** this chapter **Forward** with every effort – no matter how fast the time goes!

Speaking of time flying, we are currently planning for WaverlyFest and have discovered this is the 30th Anniversary. So the theme for the WaverlyFest is going to be:

Celebrating 30 Years! Looking Back – Moving Forward! So it's time to get the 80's garb out of the attic as we get ready to celebrate a long standing tradition in Waverly. The street dance takes a lot of man power to get up and ready for the crowds, so if you are able to lend a hand please let me know when you are available – it's true many hands make light work! Please feel free to contact me at 402-450-6942.

June will kick off with the Relay For Life on Friday, June 11th at the Waverly High School. Come walk with the Jaycees and check out our fun camp site ☺ We will have fun games and good snacks to keep our walkers energized and moving! Check out all the upcoming events and make sure you join us for all the fun times.

We are looking forward to seeing you all this summer for all our fun festivities! Let's **Keep Moving Forward** together – maybe we'll cause a heat wave!
